It isn't the material that goes into your repaired watch that results in a perfect job,

It is the know how that does the business. Any bungler can buy the fine kinds of material that I use in repairing; but skill is the most valuable material that can be used in watch repairing and the bungler can't buy it. I sell my skill for what it is worth, and it will cost you less than buying at a lower price.

ATTEMPTED ARSON.

SOME MISCREANT TRIES TO BURN FRANK STARR'S RESIDENCE.

Geo. L. Neal's House in North Salem Goes up in Smoke in Absence of Family.

An attempt was made at an early hour this morning to burn the residence of Mr. Frank Starr at No. 224 Front street.

Mr. and Mrs. Starr retired at the usual hour and finding the evening to be warm the window was raised about two feet at the bottom in their sleeping apartment. Lace curtains hung at the window and it is supposed that these were set on fire from the outside by some fire fiend and in a moment the flames had reached the ceiling.

Mrs. Starr was awakened by an unusual noise and soon discovered that the house was on fire and awakened Mr. Starr. He immediately tore down the curtains from the window and by the assistance of others succeeded in quenching the flames. Mr. Starr was badly burned about the hand.

The fire was within three feet of their bed when the discovery was made and from the looks of things some one was trying to destroy the family as well as the house. Mr. Starr can not account for the dastardly act, as he says he knows of no one who would wish to do them harm. Matches were found on the ground near the window but no other trace of the firebug has been found.

Dwelling House Burned.
The residence of Geo. L. Neal on Liberty street just north of North Mill Creek burned to the ground between 1 and 2 o'clock this morning. None of the contents were saved.

The family are absent from the city taking an outing on the Santiam, and the house was unoccupied. When the fire was discovered by neighbors about 1:30 the house was all ablaze. An alarm was sent in and the fire department responded promptly. Nothing could be done for the house but the boys succeeded by hand work in saving the blacksmith shop and butcher shop which stand close by.

Mr. Neal was in the city yesterday but is said to have left about the middle of the afternoon.

The value of the house is estimated in the neighborhood of \$300, exclusive of the contents. Both were insured in the Fireman's Fund of San Francisco, through the John G. Wright agency, there being \$500 on the house and \$700 on the contents.

DELINEATION OCTOBER FIRST.

County Court Orders Tax Roll Closed on That Date.

At its session yesterday the Marion county commissioners court fixed October 1st as the date after which unpaid taxes will be delinquent.

Bids for wood for use at the court house were also opened yesterday by the court and taken under advisement. Grub oak and big fir were wanted, and the bids were as follows:

	No. cords.	Price.
D. S. Bentley & Co.	50	\$3 25
A. H. Gibson	50	3 24
Joshua West	25	3 24
C. E. Kays	40	3 44
O. Neal	8	3 50

	No. cords.	Price.
Joseph Lake	20	\$2 65
Thos. Klossback	20	2 70
D. S. Bentley & Co.	20	2 75
J. B. Smith	20	2 74
W. J. Yada	20	2 84

The court choked off some of the pensioners who have been drawing an allowance from the county, and cut down the allowance of some others.

THIEF BOUND OVER.

Wm. Hubbard Stalls Two Saddles and Acknowledges His Crime.

Wm. Hubbard was today bound over by City Recorder Judah to await the action of the circuit court, on a charge of grand larceny, of which he acknowledges his guilt.

Hubbard hails from California, and has been in Salem some three or four months. He has been employed in Page & Stephens' livery stable, the Red Front, at different times.

Thursday afternoon the livery men missed a couple of saddles, and placed the matter in the hands of the police. Chief of Police Gibson soon located the missing property at two of the second-hand stores. A little detective work placed suspicion on Hubbard and he was placed under arrest. The second-hand dealers visited the city hall and fully identified the prisoner as the man who sold them the saddles.

Hubbard then acknowledged his guilt to Chief Gibson and signified his desire to plead guilty. He was accordingly bound over to the circuit court and committed to the county jail.

As the property stolen is valued at \$87, the crime is in the class of grand larceny and is a penitentiary offense.

Butter Fat Rising.
Butter fat has taken a second jump in price at the Salem creameries. A few days ago it advanced from 18 cents per pound to 20 cents, and now it has taken another rise to 22 1/2 cents and is likely to go higher. Creamery butter is retailing for 55 cents per pound.

Horseless Excavators.
Bentley & Co. who have the contract for excavating the basement under the old opera house building are moving out the dirt with horseless vehicles. Mr. Wagner feels quite elated over the successful operation of the apparatus.

Chicken Dinner.
Forward & Hyde, will serve a fine dinner next Sunday at the Wonder Restaurant.

Baling Wire.
Mitchell, Lewis & Staver Co.'s branch will be headquarters for baling wire this season.

JUDGE KINCAID WINS

ON A RECOUNT HE GETS FOUR MORE VOTES

Details of the Recount, Showing How It Was Made—The Final Outcome Satisfactory.

As there is a general interest in the outcome of the contest made against H. R. Kincaid, elected county Judge of Lane county by one vote, the following report of the proceeding, is given. The results are so conclusive that they must prove satisfactory to all parties and especially gratifying to Mr. Kincaid and his friends.

The Proceedings.
W. C. Hale claimed the ballots had been preserved as by law required.

L. Bilyeu thought differently. He was of the opinion that the clerk had neglected his duty.

The court then took the matter under advisement until 9 o'clock Thursday morning.

Judge Hamilton at 9 o'clock rendered his decision in the matter. He thought the ballots had been kept as required by law and ordered the count to proceed.

M. S. Wallis was appointed tally clerk for the Citizens and L. E. Bean for the Republicans. The county clerk was ordered to also keep tally.

Attorney Skipworth and Hale assisted Judge Hamilton in counting the votes.

The following were the five contested precincts by the plaintiff:
Irving precinct—The first precinct to be counted was Irving. In this precinct the official vote as returned was: Kincaid 89, Knox 68; as counted by Judge Hamilton the corrected vote stood: Kincaid 88, Knox 68, a loss of 1 for Kincaid.

Willamette—Official vote, Kincaid 56, Knox 54. Corrected vote, Kincaid 55, Knox 55, a gain of 2 for Kincaid and 1 for Knox.

Mohawk—Official vote, Kincaid 56, Knox 57. The corrected vote left the figures unchanged.

Fairmount—Official vote, Kincaid 31, Knox 48; corrected vote, Kincaid 32, Knox 49, a gain of 1 for each of the contestants.

West Cottage Grove—Official vote, Kincaid 92, Knox 138; corrected vote, Kincaid 92, Knox 136, a loss of 2 for Knox.

Summary.
The following was the summary of the five precincts:

	Official.	Contested.
Kincaid	324	326
Knox	375	375
Net gain for Kincaid, 2.		

It was stipulated between the attorneys for plaintiff and defendant that I. B. Phillips had voted for O. F. Knox for county judge, while he was a registered voter of West Cottage, therefore was illegal.

It was also stipulated by and between the said parties that Rev. I. G. Kurtz, a registered voter of Florence, had voted in South Eugene No. 2, and was therefore illegal.

By the above stipulations Kincaid gained two more votes.

A RESUME.
The official vote as made stood:

Kincaid	2,194
Knox	2,193

Kincaid's plurality..... 1
THE CORRECTED VOTE.....

Kincaid	2,198
Knox	2,193

Kincaid's plurality..... 5

W. C. Hale, the attorney for Mr. Knox, moved that the contest and suit be dismissed, and Judge Hamilton so ordered.

Each party will be compelled to pay his own costs under the law.

FROM CASCADIA.

Salem People Can Buy Fish up There at Four Bits Apiece.

Cascadia, Aug. 8th, 1900.
EDITOR JOURNAL:—The undersigned and wife arrived here Sunday evening and built our house among the rest of the houses built of cloth.

We have among us the following Salem people:
R. J. Fleming and family, W. T. Stahley and family, and Miss Yantis, Mrs. C. E. Dayton and Miss Ada G. and F. B. Dayton, Ray Farmer and family, H. H. Kagan and family, Geo. C. Brown and wife, Mrs. Steve Sanford and Mrs. H. H. Stopleton, W. B. Simpson and family, with a representation from most all the towns between Salem and Harrisburg. In all there are about 60 tents.

This is Mrs. Basy's first camp life and she is happy and busy as a bee fixing up her mansion which she thinks is the best in the city. The most of our time is spent in cooking and eating.

The fishing is very poor here this year. The boys who have been, lucky enough to catch some value them at 50 cents each. Hunting is better. The boys get quite a few deer.

A. J. BAEV.
From a private letter from W. B. Simpson it is learned that that gentleman has not experienced so much relief from his ailment as he had anticipated. He also mentions the depressing effect of the rain which they have been having up there. He estimates the number of camps at 90.

TALKED ON IMPERIALISM.

Continued from Third Page.

cupations, it would bring expenditure without return, and risk without reward.

Touching the religious argument, Mr. Bryan disagreed with the minister who recently said that we ought to "thrash the natives (Filipinos) until they understood who we are," and "every bullet sent, every cannon shot and every flag waved means righteousness," and added:

The command "Go ye into all the world and preach the gospel to every creature" has no Gatling-gun attachment. When Jesus visited a village of Samaria and the people refused to receive him, some of the disciples suggested that he should be called down from heaven to avenge the insult; but the Master rebuked them and said: "Ye know not what manner of spirit we are of; for the son of Man is not come to destroy men's lives, but to save them." Suppose he had said: "We will thrash them until they understand who we are," how different would have been the history of Christianity. Compare, if you will, the swaggering, bullying, brutal doctrine of imperialism, with the golden rule and the commandment, "Thou shalt love thy neighbor as thyself."

Love, not force, was the weapon of the Nazarene; sacrifice for others, not the exploitation of them, was his method of reaching the human heart. A missionary recently told me that the Stars and Stripes once saved his life because his assailant recognized our flag as a flag that had no blood upon it. Let it be known that our missionaries are seeking souls instead of sovereignty; let it be known that instead of being the advance guard of conquering armies, they are going forth to help and to uplift, having their loins girt about with truth, and their feet shod with the preparation of the gospel of peace, wearing the breastplate of righteousness and carrying the sword of the spirit; let it be known that they are the citizens of a nation which respects the rights of the citizens of other nations as carefully as it protects the rights of its own citizens and the welcome given to our missionaries will be more cordial than the welcome extended to the missionaries of any other nation.

Mr. Bryan made a clean-cut and unequivocal declaration of his policy, and closed with an eloquent and patriotic forecast of the destiny of this republic.

To Cleanse the System.
Effectually yet gently, when constive or bilious, to permanently overcome habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, to dispel headaches, colds, or fevers, use Syrup of Figs, made by the California Fig Syrup Co.

Two New Suits.
F. J. Miller has commenced action in Dept. No. 1 of the circuit court against Charlie Chang for \$856.93 with interest at 10 percent from Sept. 14, 1898, alleged to be due for money advanced and labor performed. Carson & Adams are attorneys for plaintiff.

Flora L. Montgomery has commenced suit for divorce against John S. Montgomery in Dept. No. 2 of the circuit court, alleging cruel and inhuman treatment. The couple were married at Corvallis in 1896 and have two daughters aged 9 and 11 years.

To Be Regretted.
The many friends of Wm. England will regret to learn that his mental condition has become so much worse that it was considered best to send him to the asylum for treatment, and he was yesterday committed to that institution.

A LUDWIG PIANO

Is one of the best instruments that's made. True, not as old as the Fisher or Knabe, but in sweetness of tone, points of construction and lasting qualities, there's nothing at their price that can surpass them.

...PRICES...
Well, that depends. They are made in six or eight styles, each in three or four woods, and you can get some Ludwig for not a great deal more than you are often asked for a "stencil" piano that the maker is ashamed to put his name on.

Come in and see a Ludwig, Fisher, Knabe or Kingsbury. We're always ready to talk piano or organ to you. Chicago, Cottage and Estey organs; plenty of them.
